Design / Submission Details

Try to include "Orange It Looks Good on You" In your Design.

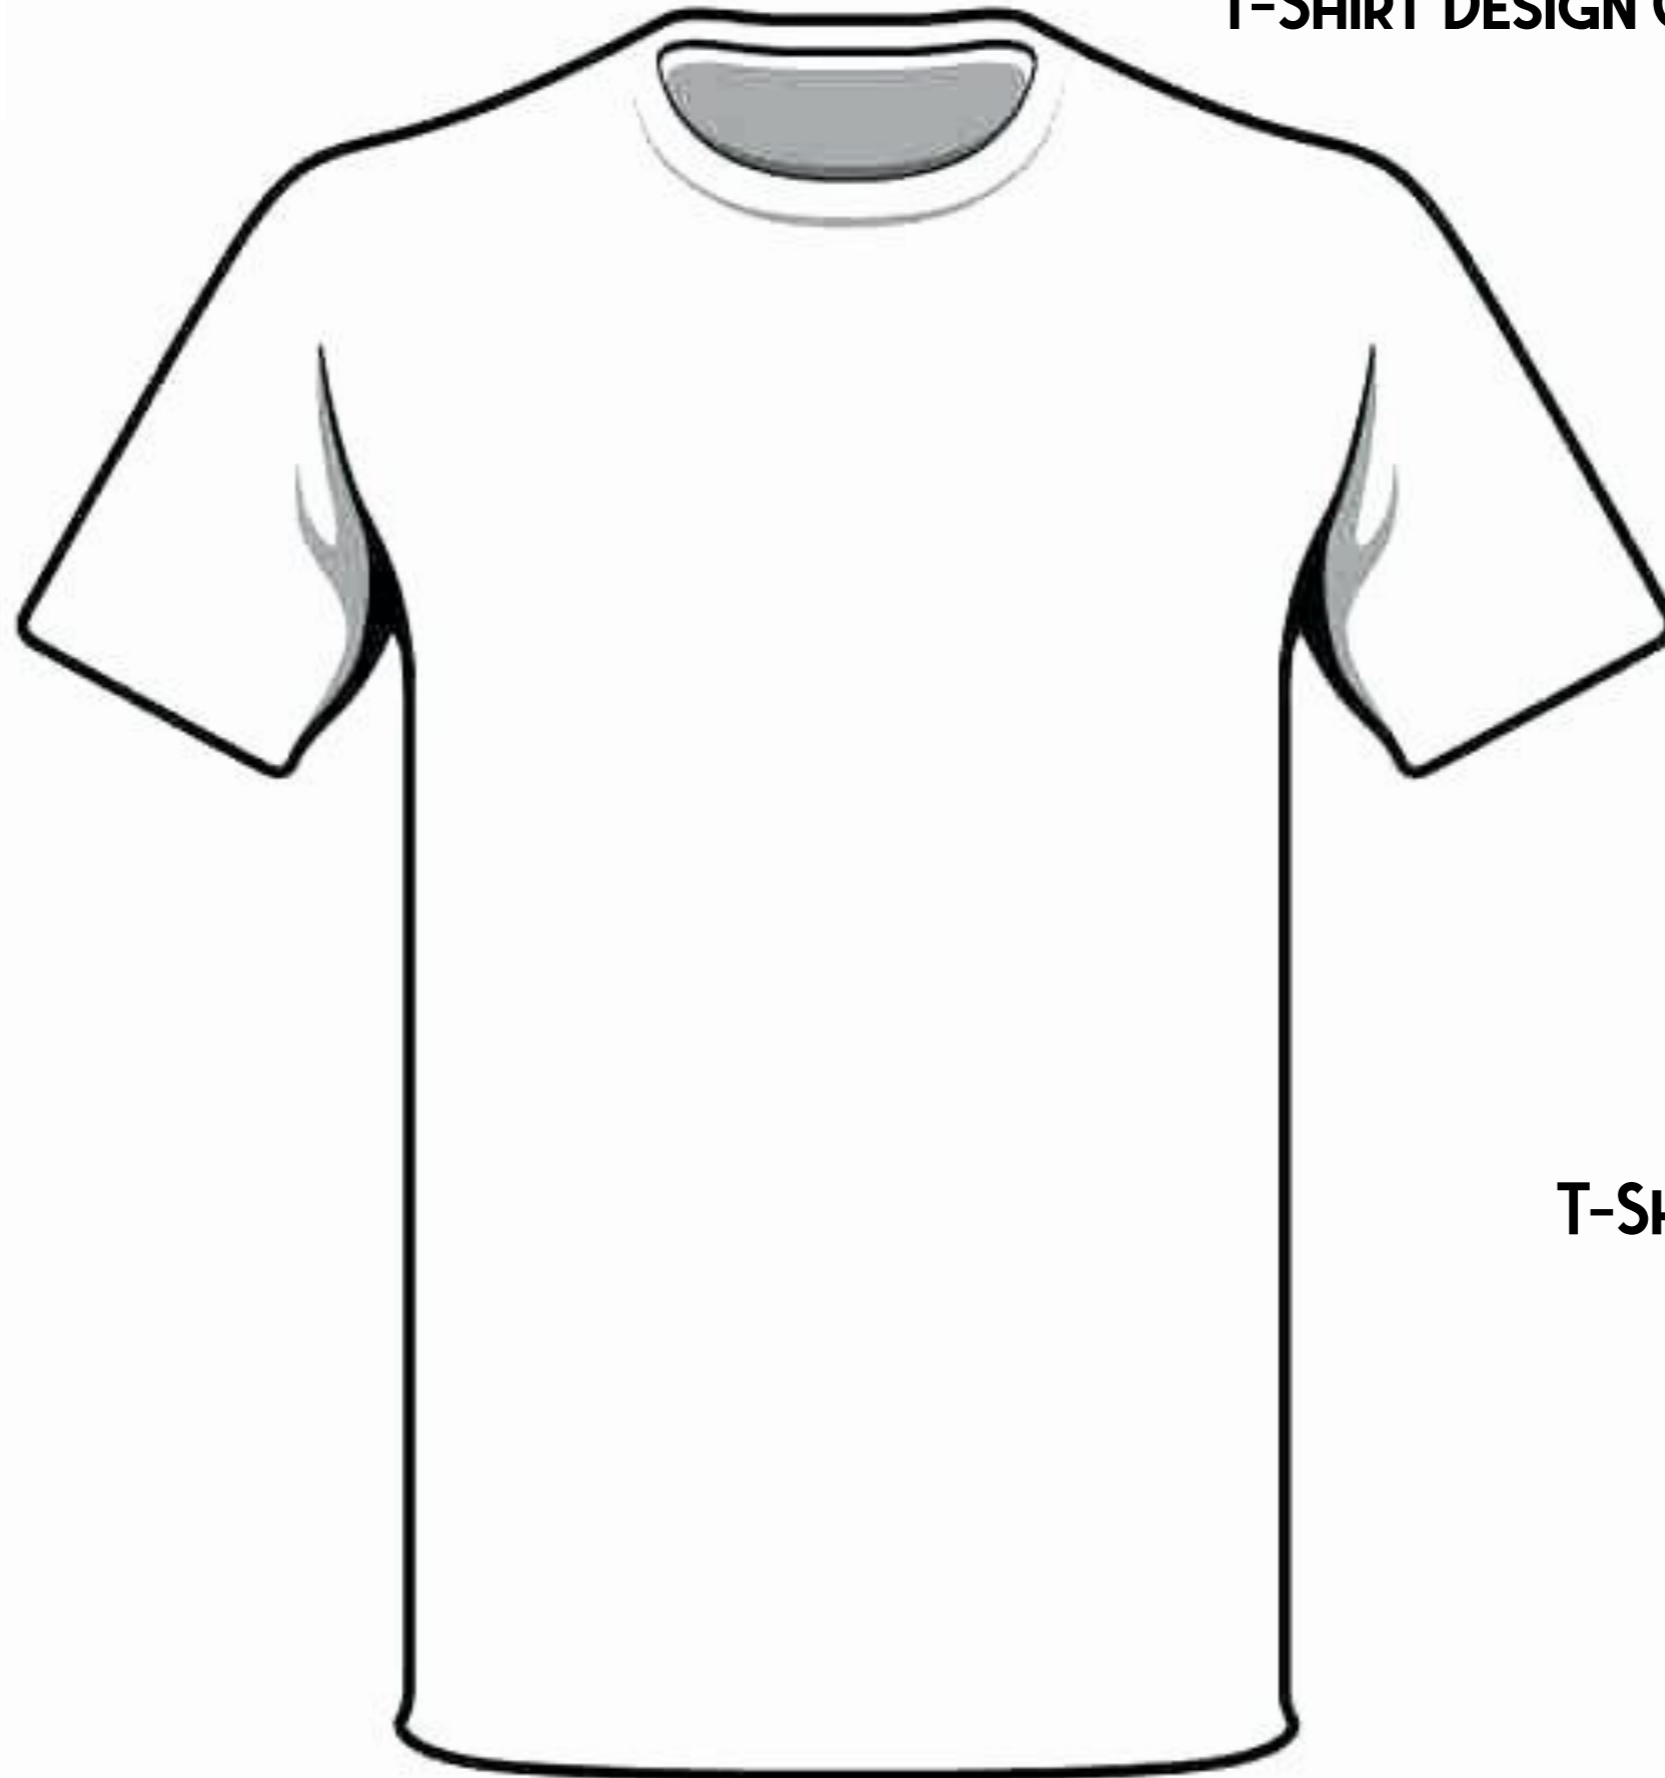

All submitted designs should be sized to fit a standard T-shirt. Please produce a two color design. Please use English-language characters for the file name and save your designs with common file extensions such as .pdf, png, jpg, or ai. Please scan all illustrations, paintings, and other non-digital submissions so they can be viewed in digital format. When submitting your designs, please include Name, Age, Email and Phone Number. Five Designs will be chosen by the Town Of Orange 150th selection committee and added to the website and social media for voting by the general public.

Fine Details

Designs can only be submitted through the website. Designs sent by mail, for example, will not be accepted. Participants can submit designs that cover the entire front and back surfaces of a T-shirt. However, design positioning may be altered by Orange 150 if necessary. Plagiarized submissions, designs that have been developed for other purposes, or designs that have been used in the past by other organizations or companies will not be accepted. Regardless of whether the designer has obtained licensing rights or not, it is prohibited to use representations which include, evoke, or imitate specific persons or intellectual properties which belong to other third parties, including but not limited to characters, brands, logos, images, illustrations, styles, compositions, and linguistic expressions. Artwork must be newly developed by the entrants exclusively for Orange 150, and must have not ever been published previously. Town of Orange 150 may withdraw prizes and/or terminate merchandising of t-shirts with winning artworks without prior notice to an entrant, irrespective of the originality of the artwork submitted by the entrant, if similar artwork is already publicly available from outside Town of Orange 150.
